

Mental Health Services Act (MHSA) Performance Review Report
Humboldt County Program Review
March 17, 2026

Finding #1: Humboldt County did not enter a Full-Service Partnership (FSP) agreement with each client served under the FSP service category, and when appropriate the client's family. (Cal. Code of Regs., tit. 9, § 3620 (e)).

Note: The Department of Health Services (DHCS) defines an agreement as a signed agreement between the client, and when appropriate the client's family, and the Personal Service Coordinator/Case Manager.

Recommendation #1: The County must provide evidence of compliance that the County enters a FSP agreement between their client, and when appropriate the client's family, and the Personal Service Coordinator/Case Manager for each client served under the FSP service category for each subsequent client and client's family. If there is no FSP agreement, provide an explanation on why there are none and what steps will be taken to become compliant for this regulation.
