Activity or Program Name: Public Service Announcements

Activity or Program Description: As part of our ongoing commitment to combat the opioid epidemic, we recognize the importance of reaching the public through multiple channels, including social media, news media, and online platforms. The PSA videos we will produce will allow us to educate and inform the community more effectively, especially targeting vulnerable populations. We believe that by increasing public awareness of the dangers of fentanyl and opioid misuse, we can further our efforts to prevent overdose deaths and provide essential resources to those at risk. These PSAs will serve as a critical tool in our broader opioid prevention and intervention strategy.
