Webinar ID: 815 5228 8491

Passcode: 445122

This webinar event will share data and recommendations from committee reports on Homelessness in the Public Behavioral Health System, followed by a question-and-answer session with the public.

Who is Invited?

This webinar is open to the public. Behavioral health board/commission members, county behavioral health staff, and other behavioral health stakeholders are encouraged to attend.

Facilitated by: Noel O'Neill, CBHPC Performance Outcomes Committee Chairperson

Panelists: Susan Wilson, CBHPC Chair-Elect and Performance Outcomes Committee Member and Samantha Spangler, CEO, Behavioral Health Data Project

Objectives:

- Educate stakeholders on the topic of homelessness in the public behavioral health system.
- Present findings and recommendations from the Data Notebook 5-Year Analysis Report and the 2024 Data Notebook Report on Homelessness in the Public Behavioral Health System.

About the Council: The California Behavioral Health Planning Council (CBHPC) has the authority and is mandated in Welfare and Institutions Code Section 5772 to advocate for an effective, quality mental health system, to review assess and make recommendations regarding all components of the public behavioral health system, and is to advise the legislature, DHCS, and county mental health boards.

For more information about the Council, visit our [website](#). For questions, please contact us via email at inbox@cbhpc.dhcs.ca.gov or by phone at (916) 701-8211.
