

**DATE:** August 29, 2025

**CCS Information Notice:** 25-02

**TO:** CALIFORNIA CHILDREN'S SERVICES PROGRAM  
ADMINISTRATORS

**SUBJECT:** FISCAL YEAR 2025-2026 COUNTY ALLOCATIONS FOR  
CALIFORNIA CHILDREN'S SERVICES COUNTY  
ADMINISTRATION, COMPLIANCE MONITORING AND  
OVERSIGHT (REVISED)

The purpose of this California Children's Services (CCS) Information Notice is to provide County CCS Programs with their CCS Program County Administrative and Compliance Monitoring and Oversight (M&O) approved budget allocations for fiscal year (FY) 2025-26. The Department of Health Care Services (DHCS) will not issue individual county budget notices.

- **CCS OTLICP and Medi-Cal Administrative Allocation:** This allocation is based on each county's average expenditures from FY 200-21 through FY 2023-24 and the county's average caseload for calendar year (CY) 2024.
- **CCS State-only Administrative Allocation (REVISED):** This allocation was distributed proportionally based on the county's baseline budgets for FY 2025-26 and average caseload for calendar year (CY) 2024.
- **CCS M&O Allocation:** This allocation is based on each county's average caseload for CY 2024.

Each county remains responsible for overseeing and tracking its administrative budget and expenditures and will only be reimbursed up to the county's authorized allocation. In addition, counties cannot shift funding between CCS Program participation categories (i.e., "straight" CCS, CCS/Medi-Cal, and CCS/Optional Targeted Low-Income Children Program).

County CCS Programs must adhere to DHCS guidelines for the determination of enhanced and non-enhanced designation of local county CCS Program staff. The documentation for skilled professional medical personnel who qualify for enhanced Federal Financial Participation (FFP) or who work on more than one program must conform to the FFP time study requirements and guidelines.

County CCS programs that opt to participate in the new CCS M&O activities by submitting their County Quarterly and Annual Reports will be eligible to invoice for additional CCS M&O allocations. To be eligible for the M&O allocations, counties must (1) inform DHCS of their intent to submit the reports and (2) submit a budget outlining how the funds will be used to support the new monitoring and oversight activities.

County CCS Programs must maintain an audit file. At a minimum, this audit file should include:

1. Documentation on required time studies performed during one or more representative months of the fiscal quarter for each budgeted position claimed under FFP.
2. Documentation in support of training, travel costs, and other claimed operational expenditures.
3. Documentation in support of claimed internal and external overhead costs.

County CCS Programs should maintain and be able to produce the audit file to State and Federal regulators within seven (7) calendar days of a request.

County CCS Programs are expected to comply with all Federal and State requirements pertaining to the CCS Program and must adhere to all applicable Department policies and procedures. County CCS Programs must submit invoices based only on actual CCS Program Administration Expenditures, in accordance with Section 7: Expenditure Claims and Property Management of the Plan and Fiscal Guidelines (PFG) manual.

County CCS Programs must submit CCS Program budgets for FY 2025–26 no later than October 1, 2025. Submissions must be made electronically through the ISCD Budget Portal at: <https://iscdbudget.cloudapps.dhcs.ca.gov/>. The most recent versions of PFG Sections 6 and 7—Budget Submission and Expenditure Claims—are also available for download through the portal.

If the county's CCS State-only caseload changes during the year, the county may submit a CCS State-only invoice for consideration. If funds are available at the end of the fiscal year, DHCS will process a supplemental invoice.*
