MEDI-CAL CONTINUOUS COVERAGE REQUIREMENT

Department of Health Care Services
Communication Toolkit Phase 1
Impact of COVID-19 on Medi-Cal Coverage

In January 2020, the U.S. Department of Health and Human Services (HHS) declared a Public Health Emergency (PHE) in response to the outbreak of COVID-19. Special rules were put in place during the COVID-19 PHE to allow more people to get access to and keep their Medi-Cal benefits. Prior to the PHE, California would review information provided by beneficiaries and renew their participation in Medi-Cal if they still qualified. However, when the continuous coverage requirement expires at the end of the PHE, California will need to conduct a full redetermination for all beneficiaries who would have otherwise been subject to redetermination.

Why Communications is Important

Currently, states are required to keep all Medicaid members continuously enrolled in health coverage. When the federal continuous coverage requirement ends, the process of redetermining individuals presents the single largest health coverage transition event since the first open enrollment of the Affordable Care Act and the Medicaid expansion. As California plans to resume normal business operations, beneficiaries will need to know what to expect and what they need to do to keep their health coverage. Most beneficiaries will either remain eligible for Medi-Cal or qualify for tax subsidies that will allow them to buy affordable coverage through Covered California.

This toolkit serves as a communications guide and provides resources to support ongoing preparations for the upcoming end of the continuous coverage requirement. Download the updated Medi-Cal Continuous Coverage Resources and start educating beneficiaries.

Communication Goals

The unwinding of federal Medicaid continuous coverage requirement necessitates a coordinated, phased communications plan to reach beneficiaries with messages across multiple channels using trusted messengers. The DHCS communication plan is designed to meet the following goals to help beneficiaries continue coverage once the COVID-19 PHE has ended:

» **Educate** – Raise awareness of actions beneficiaries need to take and when they need to take them in order to maintain coverage.

» **Engage** – Engage community partners with necessary tools for reaching beneficiaries.

» **Provide Consistency** – Create a consistent voice across community partners.
Two-Phase Approach to Communications

» **Phase 1** – This phase encourages beneficiaries to provide updated contact information, such as name, address, phone number, and email, so they can be contacted with important information about keeping their Medi-Cal benefits.

» **Phase 2** – This phase will encourage beneficiaries to continue to update contact information, report any changes in circumstances, as well as check for upcoming renewal packets that may come through regular mail for cases that could not be renewed using information the local county office has available. Phase 2 will begin 60 days prior to the end of the PHE. A Phase 2 Outreach Toolkit will be released in the future.

DHCS Coverage Ambassadors

DHCS will engage community partners to serve as **DHCS Coverage Ambassadors** to deliver important messages to Medi-Cal beneficiaries about maintaining Medi-Cal coverage after the COVID-19 PHE ends. **DHCS Coverage Ambassadors** will be trusted messengers comprised of diverse organizations that can reach beneficiaries in culturally and linguistically appropriate ways. Additionally, **DHCS Coverage Ambassadors** will connect Medi-Cal beneficiaries at the local level with targeted and impactful communication.

Ambassadors may include, but are not limited to:

- DHCS
- Community Organizations
- Providers
- Stakeholders
- Managed Care Plans
- Health Care Facilities
- Local County Offices
- Clinics
- Health Navigators
- State Agencies
- Advocates

<td>Do I need to report any household changes to keep my Medi-Cal coverage?</td>
<td>Yes, you are required to report any changes in your household, such as income, if someone becomes pregnant, a new household member, and any changes to your address, to your local county office. This may help ensure that you continue to receive your Medi-Cal coverage after the end of the federal COVID-19 public health emergency. [insert local county contact information]</td>
</tr>
<tr>
<td>Are we required to fill out and return renewal packets when we receive them?</td>
<td>Yes, it is important that Medi-Cal beneficiaries respond to county requests for updated information, including renewal packets. This will make sure the county has the most current information it needs to renew your Medi-Cal coverage. It will also help the county see if you qualify for other no-cost or lower cost coverage.</td>

I moved. Whom should I tell that I moved?

**County Response:** We can update your address. You may report this change by phone, online, mail, fax, or in person.

**Managed Care Plan Response:** We can update your address for your managed care plan. It’s important that we share this information with the county so you can continue receiving important notices about your Medi-Cal. Is that OK with you? If you do not want us to share your new address with your local county office, you will need to contact them directly and provide your updated information. [insert local county contact information]

**Community Partners Response:** Please contact your local county office to provide your new address to ensure that your Medi-Cal coverage continues. [insert local county contact information]

How do I sign up for an online account to access my Medi-Cal case or report changes?

You can access your Medi-Cal case, complete your annual renewal, or report changes to your case by creating an online account. You can create one today by going to benefitsca.com and selecting the “Create an Account” link in the upper right hand corner of the page.
