Re: California State Plan Amendment (SPA) 19-0047 Technical Correction

Dear Director Baass:

Enclosed please find a corrected approval package for your California State Plan Amendment (SPA) submitted under transmittal number (TN) 19-0047. This SPA proposes to align the Alternative Benefit Plan (ABP) with the Medicaid state plan by adding coverage for audiology/speech therapy, podiatry, optometric and optician services, and incontinence creams and washes. This SPA also removes the two-visit limit for podiatrist services. This SPA was originally approved on December 15, 2023. The approval package sent to California included the following error:

• Incorrect version of the ABP5 template. The version uploaded into the Medicaid Model Data Lab (MMDL) did not match the version used in the SPA approved on December 15, 2023.

The enclosed corrected package contains the original signed letter and CMS 179 and the corrected ABP5 template.

If you have any questions, please contact Cheryl Young at 415-744-3598 or via email at Cheryl.Young@cms.hhs.gov.
