- Yes
- No

This state plan amendment is likely to have a direct effect on Indians, Indian Health Programs or Urban Indian Organizations, as described in the state consultation plan.

- Yes
- No

Explain why this SPA is not likely to have a direct effect on Indians, Indian Health Programs or Urban Indian Organizations:

DHCS does not believe a Tribal Notice is required because the proposal does not make changes to the Medi-Cal program that further restrict eligibility; or reduce payment rates or make updates to payment methodologies to Indian health programs; or reduce or restrict access to covered services for American Indian Medi-Cal beneficiaries or increase services reimbursed to Indian health programs. CMS approved DHCS' no-notice request on February 8, 2023.
