Confidentiality & Consent

- » Confidential and sensitive information should be treated with particular care and awareness when working with minors and non-minor dependents (NMDs) in out-of-home placement.
- » Protected health information (PHI) is to be used or disclosed in accordance with Health Insurance Portability and Accountability Act (HIPPA), HCPCFC staff must take additional steps to consider safety concerns and the appropriateness of certain disclosures and/or documentations based upon each individual and situation.

Documentation of Sensitive & Confidential Information

- » The Health and Education Passport (HEP) is shared with a wide range of individuals, for a wide variety of purposes, and HCPCFC staff should consider the inherent risk of individuals learning certain sensitive information, and how this risk might be mitigated by approaching every documentation and every interaction from this perspective.
- » Understanding confidentiality and HIPPA requirements is imperative for all HCPCFC staff, not just the social work (SW) and probation officer (PO).
