**PICKLE COORDINATORS LIST, COMBINED DISABLED ADULT CHILD (DAC) AND
503 LEADS/TICKLER ADDRESS/REPORT FILE AND THE COMBINED DISABLED
WIDOW(ER)S (DW) COORDINATORS AND DISABLED WIDOW(ER)S LIST**

The purpose of this letter is to provide the counties with a copy of the Pickle Coordinator list, the combined DAC address and the 503 Leads/Tickler Address File Lists and the combined DW Coordinators and DW Notice list and to request updates.

Please note that a street address is required for all lists in addition to a post office box number for the Department of Health Services (DHS) to use when sending letters and packages "Express Mail." The DAC address file indicates the DAC Coordinator (who frequently is also identified as the Pickle Coordinator), with the county and address. When feasible, we also need to list a public contact telephone number. Please be sure that the correct area code is listed for those of you who have had area code changes. The DAC Address File is used for public contact and is listed on the Type 10 or 10A Notices, which are mailed to potential DAC beneficiaries. DHS also uses this Address File to mail DAC and Pickle program reports to the counties, which include the DAC, 503 Leads, and the Pickle Tickler Reports.

The 503 Leads/Tickler Address File Identifies the county, address, and the public telephone number. These address and telephone numbers appear on all the 503 Leads and Tickler notices (Type 51 or 52, respectively) which are sent to potential Pickle eligibles in January of each year.

Lastly, the DW coordinator list identifies a designated contact person, address, and telephone number. In addition, we also maintain the DW Notice list, which identifies the county, address, and the public telephone number that appears on all the DW notices that are sent to potential DWs.

To avoid errors, all updates must be sent in writing by mail, E-mail, or FAX. Please submit changes by August 3, 2001 to:
