

DIANA M. BONTÁ, R.N., Dr. P.H.
Director

State of California—Health and Human Services Agency
Department of Health Services

GRAY DAVIS
Governor

February 21, 2003

TO: ALL COUNTY WELFARE DIRECTORS Letter No.: 03-12
ALL COUNTY ADMINISTRATIVE OFFICERS
ALL COUNTY MEDI-CAL PROGRAM SPECIALISTS/LIAISONS
ALL COUNTY MEDS COORDINATORS/LIAISONS
ALL COUNTY MENTAL HEALTH DIRECTORS
ALL COUNTY HEALTH EXECUTIVES

SUBJECT: MEDI-CAL INTERCOUNTY TRANSFERS

This letter supercedes instructions contained in the Medi-Cal Eligibility Procedures Manual, Section 3D Intercounty Transfer; All County Welfare Directors Letter 99-36, Section III on Intercounty Transfer; and Title 22, Sections 50136(a)(1), (3) and 50137 of the California Code of Regulations, to the extent provisions of those sections conflict with the instructions in this letter.

I. Introduction

Effective immediately, the following applies to Medi-Cal Intercounty Transfers (ICTs):

- Counties must ensure all Medi-Cal cases remain active throughout the ICT period with no interruption in benefits. Medi-Cal is a statewide program; counties may not terminate Medi-Cal benefits when a beneficiary moves from one county to another until an effective date of benefits for the beneficiary in the new county is confirmed.
- Counties may neither ask nor require a beneficiary to reapply for Medi-Cal benefits or apply for a redetermination of eligibility in the new county of residence solely due to the change in county residence.

Do your part to help California save energy.] To learn more about saving energy, visit the following web site:
www.consumerenergycenter.org/flex/index.html

714 P STREET, ROOM 1692, P.O. BOX 942732, SACRAMENTO, CA 94234-7320

(916) 657-2941

Internet Address: www.dhs.ca.gov

- Counties shall not require the beneficiary to undergo any redetermination procedures during the ICT. ICT is a transfer of county responsibility for the beneficiary's case record. A redetermination of eligibility is not part of the ICT process.
- Counties shall not require the beneficiary to complete a new application or cooperate with a full eligibility review in the new county until the next annual redetermination date as determined by the beneficiary's old county of residence.

II. Purpose and Background

The purpose of this letter is to provide counties with new ICT instructions ensuring retention of benefits and continuous coverage for Medi-Cal eligible persons when they move from one county to another. Counties must assist beneficiaries in their transition from one county to another.

The change to the ICT process is the result of recent federal policy clarification. The Center for Medicaid and Medicare Services clarified that counties cannot require a beneficiary to reapply for Medi-Cal or complete a redetermination solely based on the individual moving from one county to another county within the State. The counties are responsible for transferring the case record from the beneficiary's old county of residence (referred to in this letter as the "Sending County") to the new county of residence (referred to in this letter as the "Receiving County") so that Medi-Cal benefits can continue without interruption. The objective is to administer the Medi-Cal program statewide in a coordinated and efficient manner.

III. New ICT Process

Effective immediately, the counties must use the following process for completing a Medi-Cal ICT:

A. Temporary Change of Residence

When a beneficiary reports a temporary change in county address due to seasonal employment, medical care, or other personal reasons and the beneficiary maintains a primary home in the county, the primary home county shall continue benefits for the beneficiary and not initiate an ICT. The county where the beneficiary's primary home is located must, however, ensure that the Medi-Cal Eligibility Data System (MEDS) record for the beneficiary is updated to show the temporary residence county address and county code to facilitate continued access to medical care in the temporary residence county. (See Section VI of this ACWDL, Temporary Change of County of Residence Code on MEDS.)

B. Permanent Change of Residence

When a beneficiary reports a permanent change in county address or a change for an indefinite period, the counties must follow the instructions in this letter to assist the beneficiary with the transition of Medi-Cal benefits to the Receiving County. The Sending County must initiate an ICT and not discontinue Medi-Cal benefits until a new benefits effective date is confirmed with the Receiving County. The counties cannot require the beneficiary to reapply for Medi-Cal benefits in the Receiving County.

C. ICT Notices

Two new ICT notices (MC 358-S and MC 359-R) and a new Medi-Cal Intercounty Transfer Notification form (MC 360) are provided with this ACWDL for counties to process Medi-Cal ICTs. The MC 358-S, MC 359-R and MC 360 are available for counties to download from the DHS Website. The ICT notices are available in English and Spanish. The counties will be notified when the notices and form are available from the DHS warehouse. Those counties with automated eligibility systems may revise their ICT notices with the text provided on the notices. The counties should note that the new Sending county ICT notice is an informing notice to advise the beneficiaries of the change in county administration of their Medi-Cal cases. The new Sending County's notices does not have a Medi-Cal discontinuance date.

D. Sending County Responsibility

When a beneficiary reports a permanent change of county residence or reports that he or she is living in another county for an indefinite period, the Sending County must initiate the ICT within seven calendar days to the Receiving County. The Sending County must:

- confirm the change of address by telephone if a telephone number is provided to the county;
- send an ICT Informing Notice (MC 358-S) to the beneficiary regarding the county address change and the initiation of the case transfer to the Receiving County;
- complete an address change to the county system and, if the county system does not report residence address to MEDS in the residence address field, complete an online MEDS transaction so that the MEDS record will show the beneficiary's correct new residence county code and address (see Section V, New Residence County Code and Address on MEDS);

- notify the Receiving County of the initiation of a case transfer in writing with a MC 360;
- send an ICT packet to the Receiving County with copies of available documents supporting the beneficiary's eligibility through the ICT transfer period (see Section IV, Documents for ICT packet); and
- not initiate action to terminate benefits until an effective date of benefits for the beneficiary is confirmed with the Receiving County through electronic mail, telephone, fax, or written communication.

If there are other changes in the beneficiary's circumstances associated with the move that would require the Receiving County to follow-up or complete an eligibility review once the transfer is completed, the Sending County must annotate the information on the MC 360 and in the case documents provided.

E. Receiving County Responsibility

The Receiving County shall complete the ICT no later than the first of the month after the 30-day ICT notification from the Sending County. The beneficiary shall not be required to complete a new application. The Receiving County shall not conduct a full eligibility review until the next annual redetermination date unless there is a change in circumstances that affects Medi-Cal eligibility.

Upon receipt of the ICT notification and ICT packet from the Sending County, the Receiving County must:

- review the ICT packet from the Sending County for completeness;
- verify the beneficiary's current address and active Medi-Cal status on MEDS;
- review case documents and initiate action to continue Medi-Cal benefits for the beneficiary in the Receiving County;
- contact the Sending County caseworker listed on the MC 360 form if there are questions regarding the ICT or missing documents;
- verify that the county system has submitted a successful MEDS EW05 transaction to assume responsibility for the case for the upcoming month;

- notify the Sending County caseworker of the effective date of Medi-Cal benefits for the beneficiary by telephone, electronic mail, fax transmittal, or written correspondence so that the Sending County can take action to terminate benefits, and;
- send a Notice of Action (MC 359-R) to the beneficiary of the effective date of Medi-Cal benefits in the Receiving County, new caseworker name, telephone number, and work hours.

To assure MEDS accepts data transmission from the Sending and Receiving Counties, the Sending County's termination date must be on the last day of the month and the Receiving County's effective date of benefits must be on the first day of the month following the Sending County's termination date.

F. Case Scenarios

The following are some case scenarios that may arise when processing potential ICT cases.

1. Beneficiary contacts the Receiving County and reports the move and a new address.

When the beneficiary contacts the Receiving County requesting Medi-Cal, the Receiving County shall not ask the beneficiary to complete a new application if the beneficiary reports that he/she is receiving Medi-Cal in another California county. The Receiving County shall assist the beneficiary with the ICT process as follows:

- Verify the beneficiary's current Medi-Cal status on MEDS. If the beneficiary has an open case in the Sending County, the Receiving County must contact the Sending County caseworker and inform the caseworker of the beneficiary's new county address and request the Sending County to initiate an ICT on behalf of the beneficiary.
- Explain the ICT process to the beneficiary in addition to instructing the beneficiary to contact the Sending County caseworker if there are changes associated with the move so that those changes can be documented in the ICT packet.

The Sending County, upon notification by the Receiving County of the beneficiary's move, must initiate the ICT process as outlined in Section III-D of this ACWDL, Sending County responsibilities.

2. Beneficiary requests Medi-Cal after Medi-Cal has been terminated.

When the beneficiary contacts either the Sending or Receiving County for benefits after his/her Medi-Cal case has already been terminated, counties shall implement the following instructions:

a. Case discontinued less than 30 days

Sending County - If the beneficiary contacts the Sending County within 30 days of the termination date due to "whereabouts unknown" or "loss of contact", the Sending County shall restore the beneficiary's case without any break in aid. The Sending County shall inform the beneficiary that an ICT will be initiated to the Receiving County.

Receiving County - If the beneficiary contacts the Receiving County requesting Medi-Cal, after verifying that the beneficiary was on Medi-Cal in the Sending County within the last 30 days, the Receiving County shall contact the Sending County case worker, request restoration of the beneficiary's case and an ICT for the beneficiary. In addition, the beneficiary should be advised to contact the Sending County worker to report other changes associated with the move and ensure that case restoration is in effect and an ICT has been initiated to the Receiving County.

b. Case discontinued more than 30 days and less than 60 days

When the beneficiary contacts the Counties after Medi-Cal benefits have been terminated in the Sending county for more than 30 days but less than 60 days due to "whereabouts unknown" or "loss of contact" the Sending and Receiving Counties shall jointly assess the beneficiary's current circumstances to determine if restoration in the Sending County or reapplication in the Receiving County is in the best interest of the beneficiary. For example:

If the Sending County has erroneously terminated the beneficiary's benefits or the beneficiary has provided the County with evidence of good cause, the Sending County shall restore benefits to the beneficiary and initiate an ICT to the Receiving County. If the Sending County has correctly terminated the beneficiary's benefits, the beneficiary will be required to reapply for benefits in the Receiving County. The counties shall determine each case situation separately and be flexible in determining which county has responsibility for the beneficiary. If the beneficiary is required to reapply in the Receiving County and he/she is unable to provide verification/documentation from the Sending County, to expedite the reapplication process, the Receiving County may requires the

missing verification from the Sending County. The overriding principle must be that benefits are issued promptly to the beneficiary to ensure access to health care coverage is not delayed.

c. Case discontinued in Sending County for failure to complete the Annual Redetermination

Sending County - If the beneficiary contacts the Sending County within the 30 days of termination and completes the annual redetermination, the Sending County shall restore the beneficiary's case and initiate an ICT to the Receiving County.

Receiving County - If the beneficiary contacts the Receiving County within 30 days of termination and the Receiving County has verified that the beneficiary's Medi-Cal was discontinued due to failure to complete the annual redetermination, the Receiving County can assist the beneficiary with completing the annual redetermination in the Receiving County. The Receiving County shall assist the beneficiary with completing the required annual redetermination form. The Receiving County shall only ask the beneficiary to provide new or changed information. The Receiving County shall contact the Sending County for copies of other verification and documentation already in the Sending County's case file so that the beneficiary can comply with the annual redetermination requirement and continue to receive Medi-Cal in the Receiving County with no interruption of benefits.

If the beneficiary contacts the Sending or the Receiving County after the case has been terminated more than 30 days for failure to complete the annual redetermination, the Counties may request the beneficiary to reapply for Medi-Cal unless the beneficiary provides the counties with evidence of good cause for not completing the annual redetermination requirements.

IV. Documents for ICT Packet

The Receiving County must not delay processing the ICT while waiting for additional information from the Sending County because the receipt of benefits is not contingent upon the transfer of case documents from one county to another. The Sending County's ICT packet must contain information necessary for the Receiving County to initiate an active Medi-Cal case for the beneficiary. The Sending County must ensure any documentation supporting the beneficiary's eligibility is promptly sent to the Receiving County upon request. The Receiving County must make every effort to contact the Sending County, not the beneficiary, for additional information. If the Sending County is unable to locate documents or verifications, the Sending County

must annotate the missing documentation or verification on the MC 360 for the Receiving County to follow-up with the beneficiary at the next redetermination.

The following is a list of photocopied documents the Sending County must include in the ICT packet:

- Current Statement of Facts and appropriate supplements including MC210S-W for Primary Wage Earner or the last annual redetermination form (MC 210 RV)
- Identifications and/or social security numbers
- Budget worksheet for Medi-Cal Family Budget Unit (MFBU)/Mini Budget Units (MBU), computer generated case documents or standard state forms
- Description of MFBU/MBU
- Last Notice(s) of Action for eligibility or share-of-cost
- Case Narrative/Summary
- Copy of ICT Informing notice (MC 358-S) to beneficiary

If the case situation applies, the following documents may also be required:

- Income or property verification (MC 176P or case narrative on how income or property was verified for current eligibility)
- Pregnancy verification for full scope-benefits
- Medi-Cal Statement of Citizenship, Alienage, and Immigration Status (MC-13)
- Other Health Coverage information (DHS-6155)
- Child, Spousal and Medical Support information, CW 2.1s, including any court orders for child/spousal support
- CA-5, Veterans Referral
- Copy of Disability and Adult Programs decision or verification for incapacity
- Authorized Representative form or letter

V. New Residence County Code and Address on MEDS

During the ICT period, the Sending County is the county of responsibility for the beneficiary's Medi-Cal benefits and case record until the Receiving County confirms responsibility for the beneficiary with an effective date of benefits. To allow better access to health services for the beneficiary in the Receiving County during the ICT period, the Sending County must ensure the beneficiary's new residence county address and county code are reported to MEDS timely. Although the address updates to the county systems are routinely transmitted to and updated on MEDS, MEDS does not recognize the reported address as a "residence address" unless the county's system transmits the address data to MEDS using the data element number that identifies it as a residence address.

It is extremely important that an online EW12 MEDS transaction be submitted to MEDS for each eligible beneficiary in the ICT case if the Sending County is one of those counties that does not report the residence and mailing addresses to MEDS using the unique data element numbers. The EW12 MEDS transaction is a MEDS transaction to update beneficiary addresses. The instructions for using this online transaction have been sent to all county MEDS Coordinators. If county staff have questions regarding the EW12 MEDS transaction, they should be instructed to direct their MEDS questions to their designated county MEDS coordinator. Based on reporting of the residence address, MEDS will determine the new residence county code, which is then used by MEDS to determine the appropriate health care plan coverage.

The counties, by reporting the new residence address to MEDS will facilitate the beneficiary's health care access during the ICT and transition between managed care and fee-for-service (FFS) counties. The counties should note that due to the MEDS schedule for creating Health Care Plan eligibility files, the residence address and residence county code updates received by MEDS after the MEDS renewal update cut-off will not take effect until the first of the following month. Timely reporting of residence address changes to MEDS will facilitate the beneficiary's access to health care services in the new county or emergency disenrollment from a health plan during the ICT.

VI. Temporary Change of County of Residence Code on MEDS

The Medi-Cal program allows a beneficiary to be temporarily away from home due to employment, medical care or other reason. Counties shall not initiate an ICT if the beneficiary states the intention of returning to the county. The county shall note in the case file the individual's temporary address and the reason for the absence from the county. The county shall remind the beneficiary of his/her reporting responsibilities for changes that can affect his/her eligibility for Medi-Cal.

During the beneficiary's temporary absence, the county must ensure the beneficiary's temporary address is updated on the county system and reported to MEDS as a residence address. The county shall follow instructions outlined in Section V, New Residence County Code and Address on MEDS, and ACWDL 99-35, MEDS Address Enhancement. These instructions explain how to complete an online MEDS EW 12 transaction to ensure the individual's temporary residence county code and address are reported to MEDS. Completing the online MEDS transaction on residence address and county code will facilitate the individual's access to health care coverage in his or her temporary residence county.

VII. Beneficiary Access to Medical Care Service during the ICT

A. Sending County

Once the beneficiary becomes a resident of the Receiving County, as a member of a Medi-Cal managed care health plan in the Sending County, the beneficiary will not be able to access routine medical care nor get prescription refills in the Receiving County from an out-of-plan provider without prior authorization. The beneficiary will only be able to access emergency care, family planning and Sexually Transmitted Disease (STD) services in the Receiving County. The plan will only pay for these services from a non-plan provider without prior authorization. If a managed care beneficiary in this situation contacts the county and indicates that he/she needs other medical services, the county shall advise the managed care beneficiary to contact the Department's Medi-Cal Managed Care, Office of the Ombudsman, toll free at 1-888-452-8609 for assistance or emergency disenrollment.

If the beneficiary requests information from the county regarding health plan choices (or dental plan choices in Sacramento or Los Angeles Counties only) in the Receiving County, and the Receiving County is a Geographic Managed Care (GMC) or 2-Plan Model County, the county shall refer the beneficiary to contact Health Care Options (HCO) at 1-800-430-4263 for plan and enrollment information. If the beneficiary contacts HCO to request a disenrollment, and the MEDS address information supports the change, HCO will initiate an emergency disenrollment that will be effective the first of the month in which the disenrollment was requested. If the MEDS information does not support the request, HCO will send the beneficiary a packet that includes an enrollment /disenrollment choice form and instruct the beneficiary to contact his/her caseworker in the Sending County.

B. Receiving County

If the Receiving County is a County Organized Health System (COHS) county, the beneficiary will be enrolled in the COHS automatically at the first of the month after the MEDS update. If the beneficiary is in a mandatory aid code in a mandatory GMC or two-plan model county, the beneficiary will receive enrollment information within two weeks of the MEDS update and will continue to receive Medi-Cal through fee for service (FFS) until the beneficiary enrolls or defaults into a new plan. If the beneficiary does not choose a plan by MEDS cut-off, he or she will have an additional period to choose, up to the next MEDS cut-off. During this period, he/she will remain on FFS, or unless the beneficiary makes a choice, the beneficiary will be defaulted into a plan effective the first day of the following month.

A beneficiary who seeks non-emergency medical care in the Receiving County before the effective date of disenrollment from his/her Sending County's managed care plan may call the Office of the Ombudsman and request immediate disenrollment from the Sending County managed care plan. If the Office of the Ombudsman can verify on MEDS the beneficiary's new residence county address, or verify with the Sending County that the county has been notified of the beneficiary's new county address, the Office of the Ombudsman will initiate a disenrollment from the plan on MEDS. The beneficiary may access fee-for-service on the day after the Office of the Ombudsman completed the disenrollment action.

C. Examples of ICT Between Different Managed Care Counties

1. COHS County

If the beneficiary moves from a COHS county, MEDS will automatically disenroll the beneficiary from the Sending County's COHS health plan based on the new residence county code. If the Receiving County, as identified by the residence county code, is another COHS County, the beneficiary will automatically be put into the new COHS. If the Receiving County is a non-COHS county, the beneficiary will become FFS Medi-Cal.

2. GMC or Two-plan Model County

If the beneficiary moves from a GMC or two-plan Model County to a COHS county, MEDS will automatically enroll the beneficiary into the COHS health plan in the Receiving County based on the new residence county code. If a beneficiary moves from a GMC or two-plan model county to another GMC or two-plan model county, MEDS will automatically change the beneficiary to FFS Medi-Cal and the new residence address and residence county code will expedite the beneficiary's enrollment choice into a new health plan in the Receiving County. The new residence address and

residence county code will initiate Health Care Options to contact the beneficiary with health plan information for the Receiving County.

VIII. Redetermination After the ICT is Completed

Once the transfer of county responsibility is complete and the beneficiary is on Medi-Cal in the Receiving County, the Receiving County may complete an eligibility review if the Receiving County has information from the Sending County or the beneficiary indicating that there is a change in circumstance in addition to the county change that could affect ongoing eligibility. The Receiving County must use current instructions to counties on changes of circumstance as outlined in ACWDL 01-36. The Receiving County must not request information from a beneficiary which has been previously provided and which is not subject to change, or not necessary for the county to complete a Medi-Cal eligibility review.

If the Receiving County cannot complete an eligibility redetermination after the ex parte review, the Receiving County may contact the beneficiary and request the changed information in accordance with current instructions to counties regarding requests for changed information. If the beneficiary does not comply with the Receiving County's request for information, through phone contact or use of the MC 355 form, then the Receiving County may initiate action to terminate benefits as the beneficiary has a responsibility to cooperate during a redetermination resulting from changed circumstances.

IX. CalWORKs ICT Discontinuance

The CalWORKs and Medi-Cal programs in each county must establish an interprogram referral process to ensure all CalWORKs ICT discontinuances are referred to Medi-Cal for followup review and completion of the Medi-Cal ICT process. A referral from the CalWORKs program to the Medi-Cal program is required for all beneficiaries who fail to complete the ICT requirements under CalWORKs. It is important that counties make these referrals to ensure all needy families and their children receive the assistance for which they are eligible (Reference: California Department of Social Services (CDSS) ACIN I-32-01 for CalWORKs discontinuances.) The beneficiary's failure to complete the ICT requirement under CalWORKs should not result in the termination of Medi-Cal benefits. CDSS will be issuing instructions to counties regarding CalWORKs ICT discontinuances and referrals.

X. ICT Coordinators

An ICT Coordinators list is provided with this letter to assist counties with the transfer of cases. The ICT coordinator's responsibilities are to assist eligibility staff with the ICT,

cases. The ICT coordinator's responsibilities are to assist eligibility staff with the ICT, assure communication between the Sending and Receiving Counties, and continue Medi-Cal benefits for the beneficiaries during their county transition. Counties must work together to streamline the ICT process and not delay the processing of cases pending additional case documentation. If there are issues with the case transfer, documentation, effective or termination date of aid, eligibility staff must direct these issues to the designated case worker before contacting the designated county ICT coordinator for resolution. The ICT Coordinators list is a joint effort of DHS and CDSS. The ICT Coordinators list also includes contacts for other assistance programs such as Welfare to Work and Foster Care.

The counties should work together to ensure continuous Medi-Cal benefits for the beneficiary during the county transition. If the ICT period needs to be extended or shortened, counties should mutually agree on the date of termination through the Sending County and effective date through the Receiving County, ensuring that interruption of benefits for the beneficiary will not occur. If you have questions regarding the Medi-Cal ICT process, please contact Ms. Alice Mak of my staff at (916) 654-0573 or email amak@dhs.ca.gov. If you have questions or issues regarding a beneficiary's access to health care coverage or emergency disenrollment during the ICT period, please address them to the Medi-Cal Managed Care, Office of the Ombudsman at 1-888-452-8609.

**MEDI-CAL
INFORMING NOTICE
INTERCOUNTY TRANSFER—
SENDING COUNTY**

(COUNTY STAMP)

Notice date: _____
Case number: _____
Worker name: _____
Worker number: _____
Worker telephone number: _____
Office hours: _____
Notice for: _____

You told us you were moving/moved to _____ County. Therefore, handling of your Medi-Cal case will be transferred to _____ County.

You do not have to fill out a new application and your Medi-Cal benefits will not stop during your transfer to your new county of residence. If you have any questions regarding your Medi-Cal benefits during the transfer to the new county or you decided not to move, please call the worker and telephone number listed in this notice.

- You will get another notice from the new county telling you about your new case number, worker's name, telephone number, office location and hours.
- You must report within ten days changes that could affect your eligibility such as changes in your income, employment, property, medical condition, or household situations.

If you get health and dental services from a health plan, you should also contact your health plan membership services and report your move out of this county. You may be required to enroll in a plan in the new county. You will get notice about what kinds of plans there are. Until you are enrolled in a new plan in the new county, your old plan will only pay for emergency, family planning, and sexually transmitted disease (STD) services.

If you need help with getting health care services in the new county because you are still enrolled in another health plan that does not provide services in the county where you now live, you may call the Medi-Cal Managed Care, Office of the Ombudsman, at 1-888-452-8609 for urgent disenrollment assistance.

If you want a non-urgent disenrollment from your health plan or to enroll in a health plan in the new county, please call Health Care Options at 1-800-430-4263.

You can continue to use the plastic Benefits Identification Card (BIC) you have now in your new county of residence. Always show your BIC to your medical provider whenever you need care. This card is good in the State of California as long as you are eligible for Medi-Cal. **DO NOT THROW AWAY YOUR BIC.**

The regulations that require this action are California Code of Regulations, Title 22, Sections 50120 and 50136(a)(2).

**MEDI-CAL

This letter has your new case number, worker's name, telephone number, and office hours. Please refer to this letter when you contact us.

_____ County has transferred your Medi-Cal case record to our county. You will continue to get the Medi-Cal benefits listed below:

- ☐ Full benefits with no share-of-cost for _____.
- ☐ Full benefits with share-of-cost in the amount of \$ _____ for _____.
- Full benefits with share-of-cost in the amount of \$ _____ for _____.
- Full benefits with share-of-cost in the amount of \$ _____ for _____.
- ☐ Emergency and pregnancy-related services for _____.
- ☐ Emergency and pregnancy-related services with share-of-cost in the amount of \$ _____ for _____.
- ☐ Restricted services for _____.
- ☐ Restricted services with share-of-cost in the amount of \$ _____ for _____.
- ☐ Other: _____.

- You must report within ten days changes that could affect your eligibility such as changes in your income, employment, property, medical condition, or household situations.
- You must complete the form for your Medi-Cal annual review when it is sent to you.

Always show your Benefits Identification Card (BIC) to your medical provider whenever you need care. This card is good as long as you are eligible for Medi-Cal. **DO NOT THROW AWAY YOUR BIC.**

The regulations that require this action are California Code of Regulations, Title 22, Sections 50120 and 50136(a)(2).

PLEASE READ THE BACK FOR YOUR HEARING RIGHTS AND OTHER IMPORTANT INFORMATION.

NOTIFICACIÓN DE INFORMACIÓN DE MEDI-CAL TRANSFERENCIA ENTRE CONDADOS— CONDADO QUE ENVÍA

(COUNTY STAMP)

Fecha de la notificación: _____
 Número del caso: _____
 Nombre del trabajador: _____
 Número del trabajador: _____
 Número de teléfono del trabajador: _____
 Horas hábiles: _____
 Notificación para: _____

Usted nos informó que se mudaría/mudó al Condado de _____. Por lo tanto, el manejo de su caso de Medi-Cal se transferirá al Condado de _____.

Usted no tiene que llenar una nueva solicitud, y sus beneficios de Medi-Cal no pararán, durante su transferencia a su nuevo condado de residencia. Si usted tiene alguna pregunta con respecto a sus beneficios de Medi-Cal, durante la transferencia al nuevo condado, o si usted decide no mudarse, por favor llame al/a la trabajador(a), al número de teléfono que se indica en esta notificación.

- Usted recibirá otra notificación del nuevo condado, informándole sobre su nuevo número del caso, nombre, número de teléfono, ubicación de la oficina y horario del/de la trabajador(a).
- Usted tiene que reportar, en un plazo de diez días, los cambios que podrían afectar su elegibilidad, como por ejemplo cambios en sus ingresos, empleo, bienes, condición médica o situaciones en el hogar.

Si usted recibe servicios médicos y dentales de un plan médico, usted también debe comunicarse con el departamento de servicios de inscripción de su plan médico, y reportar que usted se mudó de este condado. Es posible que se le requiera inscribirse en un plan en el nuevo condado. A usted se le informará las clases de planes que hay. Hasta que usted se inscriba en un nuevo plan, en el nuevo condado, su plan anterior solamente pagará servicios de emergencia, de planificación familiar y de enfermedades que se transmiten sexualmente (STD).

Si usted necesita ayuda para obtener servicios de atención médica en el nuevo condado, debido a que usted aún está inscrito(a) en otro plan médico que no proporciona servicios en el condado en donde usted vive ahora, usted puede llamar a la Oficina del Defensor del Pueblo, para la Atención Administrada de Medi-Cal, al 1-888-452-8609, para recibir ayuda urgente para la cancelación de su inscripción.

Si usted desea cancelar su inscripción de su plan médico, que no sea urgente, o inscribirse en un plan médico en el nuevo condado, por favor llame a la oficina sobre Opciones de Atención Médica, al 1-800-430-4263.

Usted puede continuar utilizando la Tarjeta de Identificación de Beneficios (BIC), que usted tiene ahora, en su nuevo condado de residencia. Siempre muestre su BIC a su proveedor médico, cada vez que necesite atención. Esta tarjeta es válida en el Estado de California, mientras usted reúna los requisitos para recibir beneficios de Medi-Cal. NO TIRE SU BIC.

Las regulaciones que exigen esta acción son las Secciones 50120 y 50136(a)(2), del Título 22, del Código de Regulaciones de California.

 Notificación para: _____

Esta carta tiene su nuevo número del caso, nombre, número de teléfono y horas hábiles del/de la trabajador(a). Por favor, refiérase a esta carta cuando se comuniquen con nosotros.

El Condado de _____ ha transferido su expediente del caso de Medi-Cal a nuestro condado. Usted continuará recibiendo los beneficios de Medi-Cal, que se enumeran enseguida:

- ☐ Beneficios completos, sin una parte del costo para _____.
- ☐ Beneficios completos, con una parte del costo por la cantidad de \$ _____ para _____.
- Beneficios completos, con una parte del costo por la cantidad de \$ _____ para _____.
- Beneficios completos, con una parte del costo por la cantidad de \$ _____ para _____.
- ☐ Servicios de emergencia y relacionados con el embarazo para _____.
- ☐ Servicios de emergencia y relacionados con el embarazo, con una parte del costo por la cantidad de \$ _____ para _____.
- ☐ Servicios limitados para _____.
- ☐ Servicios limitados, con una parte del costo, por la cantidad de \$ _____ para _____.
- ☐ Otros: _____.

- Usted tiene que reportar, en un plazo de diez días, los cambios que podrían afectar su elegibilidad, como por ejemplo cambios en sus ingresos, empleo, bienes, condición médica o situaciones en el hogar.
- Usted tiene que completar el formulario para su evaluación anual de Medi-Cal, cuando ésta se le envíe.

Siempre muestre su Tarjeta de Identificación de Beneficios (BIC) a su proveedor médico, cada vez que necesite atención. Esta tarjeta es válida, mientras usted reúna los requisitos para recibir beneficios de Medi-Cal. NO TIRE SU BIC.

Las regulaciones que exigen esta acción son las Secciones 50120 y 50136(a)(2), del Título 22, del Código de Regulaciones de California:

POR FAVOR, LEA EL REVERSO PARA SUS DERECHOS DE AUDIENCIA Y OTRA INFORMACIÓN IMPORTANTE.
