SUBJECT: 2004 STATEWIDE AVERAGE PRIVATE PAY RATE FOR NURSING
FACILITY SERVICES

The purpose of this letter is to officially announce that the 2004 statewide Average Private Pay Rate for nursing facility services is \$4,477.00. This is used in calculating the period of ineligibility for transfers of nonexempt property for less than fair market value. Counties must use this figure whenever the date of application, or the date of institutionalization, (the more recent of the two) occurs in 2004, and a disqualifying transfer has occurred. Existing periods of ineligibility are not updated annually so counties must not use this figure to recalculate periods of ineligibility where the dates of application and institutionalization occurred prior to January 1, 2004.

If you have any questions on this issue, please call Sherilyn Walden at (916) 552-9502.
