SUBJECT: Language Access Services for Limited-English Proficient and Non-English Proficient Individuals  
(Reference: All County Welfare Directors Letter 08-32 and 10-03)

The purpose of this All County Welfare Directors Letter (ACWDL) is to inform counties of recent federal guidance provided by the United States Department of Health and Human Services (HHS), Office of Civil Rights (OCR) regarding language access services for limited-English proficient (LEP) individuals that impacts the Language Services Notices (MC 4034 and GEN 1365) provided to Medi-Cal applicants and beneficiaries.

### Background

Section 1557 of Public Law 111-148 implements the federal nondiscrimination provision of the Patient Protection and Affordable Care Act (ACA). Section 1557 has been in effect since 2010 and prohibits discrimination based on race, color, national origin, sex, age, or disability in certain health programs or activities. Section 1557 builds on the following long-standing federal civil rights laws: Title VI of the Civil Rights Act of 1964 (Title VI), Title IX of the Education Amendments of 1972 (Title IX), Section 504 of the Rehabilitation Act of 1973 (Section 504), and the Age Discrimination Act of 1975 (Age Act).

On May 13, 2016, HHS issued its final rule implementing Section 1557, *Nondiscrimination in Health Programs and Activities*. (See Title 45 Code of Federal Regulations Part 92, Subpart C). The purpose of the rule is to help advance equity and reduce health disparities by protecting some of the populations that have been most vulnerable to discrimination in health care. The rule applies to any health program or activity, any part of which receives federal financial assistance, an entity established

under Title I of the ACA that administers a health program or activity, and any HHS administered program. The rule requires that covered entities provide language assistance services to LEP individuals. One of the steps in providing language assistance to LEP individuals requires covered entities to use taglines in the top 15 languages spoken by the LEP population in the state. HHS OCR identified the top [15 languages](#) for each state, the District of Columbia, Puerto Rico, and each U.S. territory.

### **Updated Notice**

The Department of Health Care Services (DHCS), the California Department of Social Services (CDSS), and consumer advocates collaborated in updating the CDSS Notice of Language Services, GEN 1365 (Multilingual) (06/17), to meet these new tagline requirements.

The updated GEN 1365 notice will be available at the CDSS website. The GEN 1365 notice includes an updated message:

*Your eligibility for public benefits could be affected by information contained in this letter. Your response may be required by a certain date. If you need additional help with this information, you can call your county worker. You have the right to ask for help in your own language. There is no cost for this help.*

Because of the languages identified by HHS OCR, the GEN 1365 includes two new language taglines:

- Hindi
- Thai

During the transition to the updated GEN 1365 form, the counties and the Statewide Automated Welfare System (SAWS) print vendors may continue to use any existing printed inventory of the GEN 1365 forms. Counties must include the revised GEN 1365 with any applicant or beneficiary correspondence and manually generated notices, effective immediately.

Counties and SAWS print vendors may continue to use any remaining supply of the DHCS Multi-language tagline form MC 4034. Counties and SAWS print vendors shall not reprint the MC 4304 and instead utilize the new GEN 1365 exclusively.

SAWS must make programming changes to use the updated language to program the GEN 1365 during the next available SAWS release. DHCS will also provide SAWS a

two-page version of the GEN 1365 taglines for SAWS programming that may be used with all beneficiary notices and correspondence.

Consistent with prior guidance in ACWDLs 08-32 and 10-03, DHCS requires that counties send a multilingual notification, such as the GEN 1365, with all forms, notices, and/or other written material mailings, regardless of the preferred language specified on the Medi-Cal Eligibility Data System. Effective with release of this letter, any prior DHCS guidance in ACWDLs or Medi-Cal Eligibility Division Information Letters that references the use of either the MC 4034 or GEN 1365 tagline forms now means the GEN 1365 form only.
