Letter No. 78-4

MEDI-CAL CARD PRODUCTION -- SEPTEMBER MONTH OF ELIGIBILITY

This letter is to inform you that because of the possibility of a postal workers' strike this month, the September Medi-Cal cards were released earlier than usual. In order to expedite the card mailing, not all county handpull and change of address requests were completed.

Hopefully, it will not be necessary to release the cards early again next month; however, counties should make every effort to minimize handpull requests for the October card production.

We appreciate your cooperation. Please direct any questions to the Medi-Cal field representatives.

Sincerely,
