Letter No. 80-38

MEDI-CAL MAINTENANCE NEEDS EFFECTIVE JANUARY 1, 1981

All County Letter 80-36 provided you with an advance copy of the revised Medi-Cal maintenance needs effective January 1, 1981. The figures in that letter were correct. However, Medi-Cal Eligibility Manual Letter No. 42, which transmits the same information to Manual holders, contains a typographical error in the maintenance need figure for 7 persons (effective January 1, 1981). The correct figure to be used in computations is \$1,033 rather than the \$1,003 shown in the Letter. A Manual Letter Errata Notice on this subject has also been produced and will be mailed shortly.

If you have any questions please contact your Medi-Cal field representative.

Sincerely,
