SDX REPLACEMENT ELIGIBILITY DATA -- JUNE 1982

Due to a computer processing error, records were deleted from the SDX file which contains eligibility data for SSI/SSP beneficiaries. Medi-Cal cards were prepared and mailed on June 3, 1982 for those individuals who should have but did not receive their Medi-Cal card on the first of the month.

To insure that county welfare departments have an up-to-date complete listing of all SSI/SSP eligibles, the Department has created a replacement file for June 1982. Please destroy the June 1982 SDX data previously received and replace that data with the enclosed.

Please accept our apology for any inconvenience we may have created. If you have any questions, contact your Medi-Cal program consultant.

Sincerely,
