Letter No. 82-33

JULY 1982 TITLE II COST-OF-LIVING (COL) AND MEDICARE PREMIUM INCREASES

This letter provides you with instructions regarding implementation of 1982 COL and Medicare premium increases in Medi-Cal-Only share-of-cost (SOC) determinations.

This information should be implemented as soon as possible, but no later than August 1, 1982.

At this time, we would normally report the annual COL adjustments to AFDC and SSI/SSP. However, since the 1982-83 Fiscal Year Budget has not been finalized as of this date and automatic COL adjustments are no longer applicable, we are unable to forward this information to you.

Title II and Medicare Premium Increases

The Medicare Part B Premium is \$12.20 effective July, 1982.

The Social Security Administration (SSA) has advised us that the COL increase for Title II (OASDI) benefits is 7.4 percent. This percentage increase applies across the board to all but a few Title II beneficiaries. Therefore, in all Medi-Cal-Only cases with Title II income, the current benefit amount should be multiplied by 1.074 to compute the new benefit amount.

For individuals who are not eligible for Medicare Part B coverage and for individuals on Buy-In (Medicare Part B Premium is paid by the State), the new benefit amount is to be rounded down to the nearest dollar. This will produce the Title II amount to be used in SOC determinations for July. (Example: current benefit amount is \$185.20; multiplying 1.074 equals \$199.12, dropping to the next lowest increment of \$1.00 produces \$199.00 as the July 1982 benefit amount.)

For individuals who pay their own Medicare Part B Premium (not currently on Buy-In) a two step rounding down process must be followed to determine the new benefit amount. First, after the current benefit amount has been multiplied by 1.074, any cents remaining should be dropped to the next lowest increment of \$.10. Second, the Medicare Part B Premium is to be subtracted and the remainder rounded down to the nearest \$1.00. This will produce the benefit amount to be received by these individuals in July, 1982. (Example: current benefit amount is \$324.20; multiplying by 1.074 equals 348.19, dropping to the next lowest increment of \$.10 produces 348.10. The Medicare Part B Premium of \$12.20 is then subtracted from 348.10 producing \$335.90 which is rounded down to \$335.00 which is the July, 1982 benefit amount).

The Notice of Action you use should advise the beneficiary to contact the eligibility worker if the amount of Title II income used is different from the amount actually received in the July, 1982 check.

June 18, 1982

The July, 1982 BENDEX report which you will receive in late June, 1982 should be used to verify the July 1982 change in benefit amounts. Contact with SSA district offices (using form SSA 1610) should not be routinely used for this purpose.

Title II Disregard

The Department will continue to send no cost Medi-Cal cards to individuals who become ineligible for SSI/SSP in July due solely to the 7.4 percent OASDI increase. A stuffer will be sent with July cards for these persons, explaining why their Medi-Cal cards are continuing even though their SSI/SSP cash grant has been discontinued. A special notice will be mailed to affected individuals in PHPs. Copies of both notices are enclosed.

This automatic issuance will continue until either an SSP COL adjustment is made (and such individuals become SSI/SSP cash based Medi-Cal eligibles) or the Department places these individuals in the Ramos v. Myers extended eligible category. As soon as substantive information on a COL adjustment for SSP is available, the Department will notify you in detail of the transition plan for moving such individuals to regular SSI/SSP Medi-Cal status or to regular county administered Medi-Cal status (Title II Disregard, MN, etc.).

Counties will be given lists of persons who are given automatic Title II Disregard status in July. For Title II Disregard eligibles who were Medicare-entitled at the time of their SSI/SSP discontinuance, the Department will continue to pay their Medicare Part B health insurance premium (i.e., "buy-in" for them), as long as their automatic eligibility continues.

In order to meet State EDP system constraints, the aid codes assigned to these persons during their automatic Title II Disregard period will be:

Aid Code 16 -- Aged
26 -- Blind
66 -- Disabled

This will not affect continuing PHP enrollment or Buy-In status. As noted in current Title II Disregard procedures (Article 10I, Medi-Cal Eligibility Procedures Manual), these aid codes should continue to be assigned to Title II Disregard eligibles after they shift to county control.

We enclose an advance copy of the Title II Disregard tables from the Medi-Cal Eligibility Manual revised to reflect the 7.4 percent increase. Formal transmittal of these tables will be made in a future Medi-Cal Eligibility Manual Letter.

If you have any questions regarding this letter, please contact your Medi-Cal program consultant.

Sincerely,

**STUFFER NOTICE FOR JULY 1982 MEDI-CAL CARDS
FOR THE NEW TITLE II DISREGARD PERSONS**

You have recently been notified by the Social Security Administration that your SSI/SSP (gold check) has been discontinued. That notice also said that you must contact your county welfare department if you want Medi-Cal coverage to continue. However, in your case you *do not* have to contact the county welfare department. This is because the only reason your gold check stopped is that you received an increase in your Social Security benefits (green check). Since that was the reason, you will continue to automatically receive a Medi-Cal card at the first of each month for a limited number of months.

You may notice that the fourth digit of your Medi-Cal identification number has changed. Do not be alarmed about this change. You are still entitled to use this card to get Medi-Cal benefits.

Remember, you will continue to receive a Medi-Cal card on the first of each month until you are notified differently. You *do not* have to contact your county welfare department until you are notified differently.

**STUFFER NOTICE FOR JULY 1982 FOR THE NEW
TITLE II DISREGARD PERSONS ENROLLED IN PHPs**

You have recently been notified by the Social Security Administration that your SSI/SSP (gold check) has been discontinued. That notice also told you that you must contact your county welfare department if you want your Medi-Cal coverage to continue. However, in your case you *do not* have to contact the county welfare department. This is because the only reason your gold check stopped is that you received an increase in your Social Security benefits (green check). Since that was the reason, you will continue to get automatic enrollment in your Medi-Cal PHP for a limited number of months.

You will continue to receive this automatic PHP enrollment each month until you are notified differently. You *do not* have to contact your county welfare department until you are notified differently.

AVISO PARA SER INCLUIDO EN LAS TARJETAS DE
MEDI-CAL POR JULIO 1982
PARA EL NUEVO TITULO II
DE LAS PERSONAS NECESITADAS

Usted ha sido notificado(a) recientemente por la Administración del Seguro Social que su SSI/SSP (cheque dorado) ha sido discontinuado. Ese aviso también le informa que si Ud. quiere continuar bajo el programa de Medi-Cal, debe ponerse en contacto con su departamento de bienestar del condado. Sin embargo, en su condición Ud. *no* tiene que hacerlo. Esto se debe a que la única razón por la que ya no recibe el cheque dorado es que sus beneficios del Seguro Social (cheque verde) han sido aumentados. Desde que esa fue la razón, Ud. automáticamente continuará recibiendo una tarjeta de Medi-Cal el primero de cada mes por un número limitado de meses.

Usted puede notar que el cuarto dígito de su número de identificación de Medi-Cal ha cambiado. No se alarme por ese cambio. Usted está calificado(a) todavía para usar esta tarjeta y recibir los beneficios de Medi-Cal.

Recuerde que Ud. continuará recibiendo una tarjeta de Medi-Cal el primero de cada mes hasta que sea notificado(a) de otra manera. Usted *no* tiene que ponerse en contacto con su departamento de bienestar del condado hasta que sea notificado(a) diferentemente.
