STATE DATA EXCHANGE (SDX) REGISTER/REVISED EDITION

Enclosed is a complete revised edition of the SDX register for the July 1982 month of eligibility. This edition incorporates the eligible individuals who erroneously received a Ramos v. Myers discontinuance notice, and as such, would have appeared as ineligible on the first register you received for July 1982. These individuals have been mailed a July 1982 Medi-Cal card and appear as eligible on this new register. You should destroy the first register listing(s) and replace it with the enclosed listing(s).

You will receive a separate supplemental register indicating the Title II disregard eligibles.

If you have any questions, you may contact your Medi-Cal Program Consultant.

Sincerely,
