SUBJECT: FY 1988/89 Proposed Maintenance and Income In Kind Levels

This letter provides you with information on the proposed maintenance need and income in kind levels for FY 1988/89 for the Medi-Cal program.

Because of a predicted shortfall in this year's budget, efforts have been undertaken to either reduce the Cost of Living Adjustment (COLA) or delay implementing the COLA until January 1, 1989, or both.

In the event the proposed 4.7% COLA is approved, the attached proposed maintenance need levels would become effective July 1, 1988. If implementation of the COLA is delayed, the effective date would be January 1, 1989.

We will immediately inform you via a SYSM whether the proposed maintenance need and income in kind levels are correct or will be revised and the effective date of the increase.

Also you should be aware that the Personal Needs Allowance (PNA) for SSI recipients in long-term care (LTC) has been increased to \$40 effective July 1, 1988. However, no provisions were made to also increase the PNA for the medically needy (MN) Medi-Cal beneficiaries in LTC. Therefore, until further notice, the PNA for MNs will remain at \$35.

Please direct any questions regarding this notice to Maggie Lara at (916) 324-4966.

Sincerely,
