TO: All County Welfare Directors
All County Administrative Officers

Letter No.: 89-81

SUBJECT: COUNTY CONTACT LISTS

REFERENCE: ALL COUNTY WELFARE DIRECTORS LETTER 88-98

NOTE: This ACWDL is only applicable to County Welfare Department staff
and County Administrative officers.

Enclosed is a copy of the county contact list which was updated with county responses to All County Welfare Directors' Letter (ACWDL) 88-98. This list contains updates made through August 15, 1989. This up-to-date copy of the county contact list will be used for MEDS Network mailings (including Change Cycle Letters and Renewal/Reconciliation schedules), Income and Eligibility Verification System (IEVS) mailings, and ACWDLs.

The following defines the information printed on the mailing address list:

COUNTY CONTACT LIST

The name and address information is displayed on the left hand side of the county contact list; the center column indicates the type of mailings (if any) the individual wishes to receive, the number in parenthesis to the left of the center column (if present) indicates multiple copies sent, and the right hand side of the page includes a phone number and information about the county position(s) held by that person, if applicable.

1. Mailing Information

The codes in the center column indicate the type of mailings desired. Those codes are explained below;

All County Welfare Directors Letters - D
MEDS Network Information Mailings - M
IEVS Information Mailings - I

Individuals receiving ACWDLs are coded with a "D" in the center column. "M" is entered for any individual who receives MEDS Network mailings. "I" is entered for individuals receiving IEVS mailings including IEVS Bulletins and ACWD Letters pertaining to IEVS. A person who receives only ACWDL's is entered as "D--". A person who is on the MEDS Network mailing list and who is to receive both ACWDL's and MEDS mailings is entered as "DM".

2. Position Information

Asterisks to the left of the position title indicate the positions held by each person on the county contact list. For some names and addresses there may be no applicable position.

Following are brief descriptions of each position title used in the address list.
