SUBJECT: OPERATIONS ASSESSMENT AND REVIEW UNIT ACTIVITIES NARROWED

Effective November 1, 1991, the Operations Assessment and Review (OAR) Unit of the Medi-Cal Eligibility Branch Operations Section will curtail many of its county support activities.

The OAR Unit will no longer produce desk reference and training materials, such as the Income Training Module, nor provide training and information. With certain limited exceptions, monitoring of your operations and casework will also cease.

We regret the additional burden upon your staff that may result from the reduction of State staff and redirection of duties.

Sincerely,
