Letter No.: 91-125

SUBJECT: OUTSTATIONED ELIGIBILITY WORKER (EW) PROGRAM CLINIC/COUNTY SURVEY

REFERENCE: ACWDL #89-114, #91-25

The purpose of this letter is to request your cooperation in completing the enclosed Outstationed EW Program Survey. This form requests information regarding each counties' outstationing efforts during 1991, the first year of the program. We would appreciate it if you would also distribute a copy of the clinic survey to each clinic in your county in which an EW is outstationed.

The responses to the questions in the survey will provide the Department with concrete information on the progress of this program. We hope the results of the survey will provide evidence of the benefits of outstationing as well as offer ideas for further improvements to the program. We ask that you please return the surveys to the address listed on the last page of the survey no later than February 14, 1991. Clinics should be instructed to forward their surveys directly to the Department within that same timeframe.

I appreciate your assistance and cooperation on this project. If you have any questions regarding this survey, please contact Lisa Reagan at (916) 657-3719.

Sincerely,

Frank S. Martucci, Chief
