**SECTION 1931(b) INCOME AND SNEEDE BUDGET FORMS AND WORKSHEETS**

Ref.: All County Welfare Directors Letters (ACWDL) Nos. 98-43 and 99-02

The purpose of this letter is to transmit camera-ready copies of the Section 1931(b) income and Sneede budget forms. These forms are modified versions of the attachments to ACWDL 98-43.

**SECTION 1931(b) APPLICANT/RECIPIENT PROGRAM BUDGET SHEET FOR  
DETERMINING NET NONEXEMPT INCOME - MC 176M**

At the Section 1931(b) training sessions, counties requested that the Department of Health Services provide a one-page Applicant and one page Recipient Budget Sheet for the Section 1931(b) program. Camera-ready copies of these Section 1931(b) Applicant and Recipient Budget sheets, enclosed as Exhibit A, are provided for those counties that wish to adopt it. In addition, two other alternative camera-ready, sample Section 1931(b) Applicant and Recipient Budget forms are enclosed (see Exhibit B and Exhibit C). Counties may select the form that meets their needs, or continue to employ county-modified Section 1931(b) budget forms provided such forms meet the requirements described in the section below.

Both of the Section 1931(b) Program Applicant and Recipient Budget Sheets for Determining Net Nonexempt Income and Section 1931(b) Income Eligibility from Exhibit A in Attachment 1 of ACWDL 98-43 erroneously identified (at the bottom of the respective budget sheets) as applicable to the Section 1931(b) program the following two income disregards: the "Absent Parent Support" deduction (Section 50549.1), and "Part Student Deduction" (sic) (Section 50551). These two income disregards, applicable only to aged, blind, and disabled persons, do not apply to the Section 1931(b) program, and should not appear on any Section 1931(b) budget form. The sample budget forms attached to Exhibit C of this ACWDL are the same forms

originally transmitted to counties by ACWDL 98-43 except they have been revised to eliminate reference to the two deductions identified above. The Educational Expense (Section 50547) deduction still applies to the Section 1931(b) program.

SECTION 1931(b) SNEEDE V. KIZER NET NONEXEMPT INCOME AND MINI BUDGET UNIT DETERMINATION FORMS - MC 175-31.2A AND MC 175-31.2R

The Section 1931(b) Sneede Net Nonexempt Income Determination form as provided in Attachment 3.3 of ACWDL 98-43 has also been modified to reflect the deletion of the Absent Parent Support and Student Deduction disregards. Further, the form has been split to accommodate applicants and recipients. Other modifications include:

- the nonexempt unearned income is being counted before disability-based income;
- the disability-based income section no longer specifies types of income to be used; and
- a space has been added to add in-kind income back in after the allocations are made.

These forms are identified as Exhibit D in this letter. With the input from counties, the forms have been streamlined to make the Sneede computations seem less complicated.

COUNTY OPTION TO MODIFY FORMS

During the Section 1931(b) county training sessions, county staff contributed comments and suggestions for modifications of the Section 1931(b) budget sheets that accompanied ACWDL 98-43. Counties were advised, and this ACWDL confirms, that they could modify the Applicant and Recipient Budget Sheets for the Section 1931(b) program to suit their needs provided that such modifications:

- do not result in computations of net nonexempt income or determinations of income eligibility that would differ from those produced by using the enclosed forms;
- maintain computational steps and sequences as provided in the enclosed forms; and
- maintain an itemization of the computational steps used in computing the net nonexempt income and determining eligibility for purposes of quality control or other review.

## EXHIBIT B

This exhibit provides an alternative camera-ready version of the Section 1931(b) Applicant Program Budget Sheet and Recipient Program Budget Sheet. This version allows additional space for county use, and provides a review of the Educational Expense Deduction. In contrast to Recipient Budget Sheet in Exhibit A, the primary computations in the Recipient Budget Sheet in Exhibit B are contained in a single column. However, this requires extra space and so the Recipient Budget Sheet in Exhibit B is two pages. The Recipient Budget Sheet in Exhibit A is a one page form.

## EXHIBIT C

This exhibit provides an alternative camera-ready version of the Section 1931(b) Applicant Program Budget Sheet and a camera-ready version of the Recipient Program Budget Sheet. This version is very similar to the Section 1931(b) Program Income Budget Sheets that accompanied Attachment 1 to ACWDL 98-43. A review of the Educational Expense deduction is provided in the budget sheet, and a box (9a) has been added for computation of the "unused" \$240 deduction. The box for listing exempt income has been moved.

<b>A. NONEXEMPT UNEARNED INCOME (EXCLUDING DISABILITY-BASED INCOME)</b>

2. Net child/spousal support received.①					
3. In-kind income (IKI).②					
4. Income available from PA/other PA (see MC 175-6, line A.4).					
5. Total nonexempt unearned income (add lines 1, 2, 3 and 4).					

\* Sources include: net income from property, Social Security nondisability payments, etc.

① Child/Spousal Support Payments Received	Child support is income to the child, not to the parent or caretaker relative.  Divide the \$50 per month child/spousal support deduction by the number of persons for whom the income is intended. Any unused remainder will be prorated among the remaining persons who still have support payments to apply against the deduction.
② Unearned IKI	Prorate the unearned IKI among the persons who receive the income. Example: Medi-Cal Family Budget Unit (MFBU) of four receives free housing. Use IKI for four and each person receives one-fourth of the IKI. Add an unborn's share of IKI to the pregnant woman's share. If the pregnant woman is Public Assistance (PA)/Other PA, and not in the MFBU, give the unborn's share to the father of the unborn if he is in the MFBU.
