INTERGOVERNMENTAL TRANSFER (IGT) JUSTIFICATIONS FOR THE SENATE BILL (SB)  
1100 IGT PROGRAM

The purpose of this Policy and Procedure Letter (PPL) is to provide guidance to counties and districts participating in the SB 1100 IGT program on providing justifications for IGT requests.

The SB 1100 program is authorized by California State Plan, Supplement 4 to Attachment 4.19-A, Section D.1. and Welfare and Institutions Code (WIC) section 14166.12. Private hospitals receive supplemental reimbursement using IGTs as the non-federal share and are limited by federal upper payment limits (UPL)(Supplement 4 to Attachment 4.19-A, Section E). In addition to the UPL limitation, WIC section 14166.12(f) allows the Department discretion to accept or not accept moneys offered to the department for deposit into the fund. In accordance with WIC section 14166.12(g), moneys in the fund shall be used as the source for the non-federal share of SB 1100 supplemental payments.

Beginning with dates of service State Fiscal Year (SFY) 2023-24, and regardless of the amount, counties and districts must provide a written justification for their IGT requests for the respective SFY that demonstrates the need for assistance in ensuring the availability of essential services to Medi-Cal beneficiaries.

If you have questions regarding this PPL, please email [PHSF@dhcs.ca.gov](mailto:PHSF@dhcs.ca.gov).

Sincerely,

Gina Giannini, Chief  
Medi-Cal Supplemental Payment Section
