STRATEGIES TO ADDRESS IDENTIFIED HOUSING AND SERVICE GAPS IN THE COUNTY

County Narrative Description (200-word limit)

Anthem Blue Cross and California Health & Wellness are committed to collaborating to reduce and prevent homelessness in Colusa County and enhance the connection of Medi-Cal members to housing services. To build consensus around our strategies and gain community input for our Housing and Homelessness Incentive Program (HHIP) County Local Homelessness Plan, MCPs jointly met with members of Dos Rios CoC, the local CoC, and presented proposed strategies. In collaboration with the CoC, we ensured alignment with Homeless Housing, Assistance, and Prevention (HHAP) Round 3 strategies and received input from community stakeholders including social service and housing agencies, community providers, and CBOs.

Our countywide strategies include: 1) improve data sharing capabilities with Homeless Management Information System (HMIS); 2) integrate with the Coordinated Entry System (CES); 3) develop partnerships that address disparities and inequities in housing-related service delivery (i.e. an integrated and robust street medicine model); and 4) bolster ongoing CalAIM Community Supports and ECM initiatives to better identify and serve individuals experiencing homelessness. MCPs and Dos Rios CoC will work together to implement HHIP strategies, meet program measures, and create the capacity and partnerships to make progress toward racial equity and addressing homelessness and housing insecurity in Colusa County.
