

Definitions of Full Month vs. Partial Month Medi-Cal Inmate Eligibility Program (MCIEP) Aid Codes

Full Month MCIEP Aid Code

An individual has full month eligibility in a particular aid code if the coverage is continuous from the first day of the month through the last day of the month.

Example: MCIEP aid code is effective June 1 through June 30.

Partial Month MCIEP Aid Code

An individual has partial month Eligibility Status Code (X5X) in a particular MCIEP aid code if the coverage is not continuous from the first day of the month through the last day of the month.

Example: Individual is incarcerated on June 3 and is enrolled in MCIEP and released on August 5. Both June and August are partial months. July is a full month. Partial month eligibility is displayed on the MEDS INQV screen.
