

Count on In-Home Supportive Services?

Medi-Cal renewals happen every year.

All Medi-Cal members have their eligibility reviewed once per year. In-Home Supportive Services (IHSS) recipients must renew their Medi-Cal to keep IHSS services. Renew your Medi-Cal to keep these vital services.

If your local Medi-Cal office sends you a renewal form in a yellow envelope or asks for more information, you must respond. Otherwise you and your family may lose coverage.

- **Submit the information by the due date listed.**

- **You can complete your renewal:**

ONLINE - Log in or create an account with **BenefitsCal.com**.

BY MAIL - Return the prepaid envelope to the address on your form.

OVER THE PHONE - Call the number on your form.

IN-PERSON - Visit your local Medi-Cal office.

HELP IS AVAILABLE

Health Enrollment Navigators can provide in-person assistance.
